Re: U.S. v. Justin Rivera,
19 Cr. 131 (PAE)

Dear Judge Engelmayer:

We respectfully write to request that the Court order the MCC to continue providing Justin Rivera with 10 hours of weekly video teleconferences (VTC's) with his attorneys through and including the week beginning on May 10, 2021. I have conferred with AUSA Thomas Burnette and he has indicated that the government does not object to this request.

The Court's current Order regarding Mr. Rivera's weekly VTC's, dated April 7, 2021, expires on April 30, 2021. Mr. Rivera's trial is approaching and the government is turning over additional voluminous 3500 material that we must review with Mr. Rivera and, when necessary, cross reference with Rule 16 discovery. While in-person legal visits at the MCC have begun, they do not allow for enough time to prepare for trial with Mr. Rivera. Your Honor's attention to and consideration of this request are, as always, greatly appreciated.

Respectfully submitted,

/s/
